Jorge's never considered purchasing life insurance, but after being offered it through work, he decides it's a smart way to protect his family.

Jorge looks at how his family would be affected by losing him.

Average funeral cost: \$9,000

Average mortgage debt: \$202,000

Average cost of college: **\$17,000 - \$44,000**

# A SUMMARY OF DISABILITY PLAN LIMITATIONS AND EXCLUSIONS

Evidence of Insurability may be required on all late enrollees. This coverage will not be effective until approved by a Guardian underwriter. This proposal is hedged subject to satisfactory financial evaluation. Please refer to certificate of coverage for full plan description.

You must be working full-time on the effective date of your coverage; otherwise, your coverage becomes effective after you have completed a specific waiting period.

Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding one year; or (b) in an area under travel warning by the US Department of State. Subject to state specific variations.

For Long-Term Disability coverage, we limit benefits for a disability caused or contributed to by a pre-existing condition unless the disability starts after you have been insured under this plan for a specified period of time. We limit the duration of payments for long term disabilities caused by mental or emotional conditions, or alcohol or drug abuse.

We do not pay benefits for charges relating to a covered person: taking part in any war or act of war (including service in the armed forces) committing a felony or taking part in any riot or other civil disorder or intentionally injuring themselves or attempting suicide while sane or insane. We do not pay benefits for charges relating to legal intoxication, including

but not limited to the operation of a motor vehicle, and for the voluntary use of any poison, chemical, prescription or non-prescription drug or controlled substance unless it has been prescribed by a doctor and is used as prescribed. We limit the duration of payments for long term disabilities caused by mental or emotional conditions, or alcohol or drug abuse. We do not pay benefits during any period in which a covered person is confined to a correctional facility, an employee is not under the care of a doctor, an employee is receiving treatment outside of the US or Canada, and the employee's loss of earnings is not solely due to disability.

This policy provides disability income insurance only. It does not provide "basic hospital", "basic medical", or "medical" insurance as defined by the New York State Insurance Department.

If this plan is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Guardian's pre-existing condition limitation period. State variations may apply.

When applicable, this coverage will integrate with NJ TDB, NY DBL, CA SDI, RI TDI, Hawaii TDI and Puerto Rico DBA, DC PFML and WA PFML
